AMENDMENT UNDER 37 C.F.R. § 1.312

The Examiner is thanked for the indication of allowed subject matter.

This paper is submitted solely to provide replacement drawings, and to correct a
typographical error in one of the claims that was included in the Examiner's Amendment mailed
February 9, 2007.

Please amend the application as follows:

IN THE DRAWINGS

Please delete the three (3) pages of informal drawings that were submitted with the
application on April 16, 2001, and, in lieu thereof, please substitute the attached set of
replacement drawings, which number 1/4 through 4/4. Each page is identified as a
"Replacement Sheet." There are no substantive changes in the drawings, however, the new
drawings are much more legible and do not include extraneous shading. The differences between
the two sets are illustrated on a marked-up copy of each page of the original informal drawings,
submitted herewith. Each such original page is identified as an "Annotated Sheet."

Entry of the drawings changes is respectfully requested to improve the readability and
legibility of the drawings.
